

ICS 400

**Location: ILEAS Training Center
1701 E. Main Street, Urbana**

Dates: April 30 - May 1, 2012

Course Description:

This two-day course provides training for senior personnel who are expected to perform in a management capacity in an Area Command or Multi-agency Coordination Entity. It provides training on and resources for personnel who require advanced application of the Incident Command System (ICS), and expands upon information covered in ICS-100 through ICS-300 courses. It will include but not be limited to: major and/or complex incident/event management, area command, and multi-agency coordination, and is designed to provide overall management skills rather than tactical expertise.

Prerequisites:

ICS 300 (Intermediate ICS)

Completion certificates for these courses must accompany the student application.

The class will start at 08:00 sharp each day, and will end by 17:00. Additional information and the registration form are available at the following website:
